

# THANK YOU!

## MARELDA, SIOBHÁN AND RICHARD!

September 2025

### A Special Word of Thanks!

All of us in Scoil Phádraic Cailíní would like to take a moment to acknowledge the huge amount of hard work and effort that our secretaries and care taker put into our school each and every day! We are extremely fortunate to have Marelda, Siobhán and Richard working with us. They are enthusiastic, friendly, and valued members of our staff. Without them, our school would not be able to function. The nature of their roles means that the work they do can go unseen but if they were not there to do it, we would certainly notice! The last few weeks have made it clear that our schools would be lost without these hardworking members of our school community. The work they do is far too great to list here but we wish to thank Marelda, Siobhán and Richard for their contributions to our school - you are greatly appreciated!

Marelda and Siobhán always provide a warm welcome to any visitors to the school office. The children love the opportunity to do a 'job' for their teacher that involves a trip to the office! Our secretaries work hard on the extensive admin involved in running a school while simultaneously manning the phones, the school gates, greeting school visitors, coordinating timetables, updating the school website and X account, not to mention managing communication between the school and parents via Aladdin!

Richard works tirelessly to keep our school running like clockwork and looking beautiful. The children are delighted with the bright colours and fun embellishments he decorates the school with. The beautiful flowers, plants, fruits and vegetables around the school and in the garden are a wonderful addition to our school. He has also built and assembled many projects around the school to improve the learning environment for our pupils.

THANK  
YOU
