### ANNIE JR. BY SCOIL PHÁDRAIC CAILÍNÍ

The week of 10th February was a very busy and exciting time in Scoil Phádraic Cailíní as we opened our doors to family and friends to debut our much anticipated production of Annie Jr. After months of preparation and hard work, the girls from 3rd to 6th class dazzled their audiences each night with performances that were polished, enthusiastic and fun. We are so proud of each of the girls for their performances and hard work back stage. Every girl contributed her own skills and talents to make the show an undeniable success! Well done one and all!

Below are a variety of photos of our wonderful production as well as some behind the scene pictures!

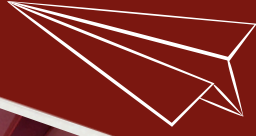

### A Thank You Poem for Ms. Greene

Ms. Greene, so kind and full of grace,  
With a heart that lights up every space.  
Through your thoughtfulness, dreams take flight,  
You've given us wings to soar to new heights.

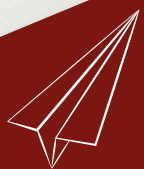

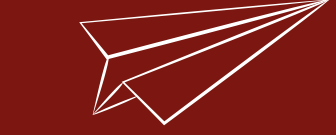

In *Annie* the musical, we sing, we play,  
You've made it all happen in a wonderful way.  
The chance to perform, to shine on the stage,  
You've given us confidence, unlocked every cage.

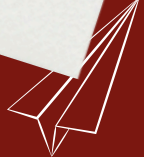

For the laughter, the lessons, the joy that you bring,  
We thank you, dear Ms. Greene, for everything.  
This musical dream would not be the same,  
Without your care, love, and guiding flame.

You've given us courage, helped us believe,  
And for that, in you, we will always conceive—  
Gratitude, joy, and respect so true,  
Thank you, Ms. Greene, for all that you do.

## OUR EXPERIENCE

We really enjoyed being in the musical. It was great to be given the opportunity to develop our skills and talents in drama and singing and showcase them on stage. The rehearsals were really good fun working with a professional team. There was great fun backstage on the nights and we developed camaraderie with our classmates. Our families enjoyed seeing us onstage and there was a great atmosphere. Being part of the musical also allowed us to see if we would like a career onstage. It is something that we will never forget as it is one of the highlights of our school days.

## THANK YOU!

We would like to say a big thank you to all of the children for their enthusiasm and hard work during the production of Annie Jr. We would also like to thank the teachers and Ms Greene for their support with the musical both during the preparations and the week of the performances. Of course the production would not have been possible without the dedication and hard work of everyone at Thunderstruck Gym and Studio – thank you for your patience and enthusiasm and for sharing your talent and creativity!

A special thank you to Emma of Bonnies Balloons who gifted us the beautiful balloon displays for the musical. They really helped to set the scene for the shows and the girls really enjoyed getting their photographs taken beside them.
