TIME CAPSULE:

Time to create a simple time capsule. After all, we are living in this historical time. Here are some ideas of what you could put into it 💡

- 1) Write a letter to your future selves. Tell them about yourself - what you like to eat/ like to drink/ what your hobbies are/ what class you are in/ what age you are/ what you want to be when you grow up.
- 2) Include some food wrappers/ labels of things you like.
- 3) Draw a picture of your family or include a photograph.
- 4) Trace around your hand so your future self can compare hand sizes with you.
- 5) Include a newspaper or the main headlines from the RTE or Virgin Media news today.
- 6) Put it all together in a box and place it up in the attic or somewhere you won't get at it for years to come!
