ghruaig.

11. Cad a rinne Ruairí ag a leathuair tar éis a hocht? Chuaigh sé go dtí an siopa/
Chuaigh sé ar scoil/ Chuaigh sé go dtí an leaba.

Maths: Work It Out. Week 23. Monday section. Table Toppers. Do a page of 75ers. Set a timer and see how long it takes you to complete the page. Then check to see how many you got right.

Planet Maths. Page 172. Complete the work in your copy and look at the explanation video for correction.

RTE Schoolhub: English. Similes. Art. Dream catcher. Geography - The Sun.

English: Spell Well: pg 62. Box 105.

Starlight: Read pages 176, 177 and 178.

The quiz on Tuesday at 1.00 will be based on fact and opinions and the vocabulary in your Starlight.

Creative Writing: Write a letter to a classmate and tell them about the following:

How you and your family are.

Any news or anything that happened since school closed for example, birthdays etc.

What you like about homeschooling.

What you miss about regular school.

Activities that you do with your family, especially any fun activities that you would recommend.

Any good books that you have read and that you would recommend.

Any good films or TV Programmes that you watch and would recommend.

Please remember the following: The date.

Start a new paragraph for every new idea.

Use adjectives to describe the events in detail.

Read your work and check for capital letters, full stops and ask yourself if it's interesting or if you could add more details. **Remember I gets a capital letter.**

Don't forget to sign the letter.

Please upload the letter on Seesaw by Thursday evening at 2:40. Perhaps you could write the letter on paper and take a photo of it. Hopefully when you read it again, in ten years time, it will give you a laugh! I would like to see as much information as possible. On Thursday night (when you are in bed) I will pick the names of the classmates and anybody who wrote a letter will receive a letter. On Friday morning, when you log into Seesaw, you will find a letter from a class mate. The fun part is, that you won't know who you are writing to or who you will receive the letter from. That will be the surprise element for Friday morning! If you want to receive a letter, you must write a letter. The longer the letter, the better because imagine how disappointed you would feel if the letter you got was very short! You have three days to do it so perhaps do a little each day or whatever is manageable for you. Writing letters was a good way of keeping in touch many years ago and it would be a great way to keep in touch with your class mates during this time.

Wednesday, 6th of May.

P.E. https://www.youtube.com/watch?v=u0_1QBQ8S

RTE Schoolhub: Science Designing and making, Gaeilge An Teilifís, History. Myths.

Gaeilge: Bua Na Cainte: page 173. Léigh an leathanach agus freagair na ceisteanna. Use the video on Seesaw to help. Do the corresponding section in your Leabhar Litriú.

English: Spell Well: pg 62. Box 106. Continue with your letter.

Maths: Work It Out. Week 23. Tuesday section.

Planet Maths. Page 173. Complete the work in your copy and look at the explanation video for correction.

Quiz: Create a quiz on quizizz.

<https://alicekeeler.com/2018/02/10/students-make-quizizz/> You can make a quiz on something that we have learned together, either recently or in school. Your quiz can contain ten questions. I may use some of your quizzes during class quiz time. I will be using your quizzes during the week. Will let you know start times etc.

SESE: This can be done on Wednesday and Thursday. Write an informational text on an animal of your choice. Include headings, subheadings, paragraphs and bullet points. You could write a paragraph on each of the following: Habitat, what they look like, what they eat and fun facts. Draw a picture of the animal. Websites for research include <https://www.dublinzoo.ie/animals/>
<https://kids.nationalgeographic.com/animals/>

Use the assigned Seesaw activity as a guideline if you wish.

Visual arts: If you choose to do a penguin, you might like the following link to help you draw a penguin. Even if you don't do a penguin, you might have fun learning how to draw one anyhow!
