

Work for the week - Monday 22nd –Friday 26th June- Ms. Sheridan & Ms. Fuller

***Please complete English, Irish and Maths. You can then take a menu approach to the additional material.**

Our last week of school girls! I can't believe it. Where did that year go? Time flies when you're having fun!!! 😊

English:

Make sure that you continue to read each day with a book of your choice!

Monday: Story –Dragon Post– **Before** reading the story visualise and draw a picture of the images in your head when you hear 'Dragon Post' – **After** reading the story draw a picture of the images that you now have in your head – Remember visualising helps us to understand the story. *Templates on Seesaw.

Tuesday: Retell the story – Dragon Post to a grown up in your house – don't forget your '5 finger retell' – characters, setting, events, problem, solution. Make sure to use a loud, clear voice and look at your 'audience' as you speak 😊

Wednesday: Write and draw a picture of 3 events that happened in the story. *Template on seesaw

Thursday: Character study: Draw a picture of Alex (our main character) and write some adjectives (describing words) around the picture. If you like you can use these words to write sentences about Alex. For an extra challenge do the same for the dragon.

Friday: Colour and label the dragon picture on Seesaw. Discuss with a sibling/ grown up in your house, what you know about dragons.

Gaeilge:

We have completed all of the topics in Gaeilge this year. Well done girls!

-Use this week to complete any pages we did not get to do in your Bua na Cainte book while it was in school!

-You can use the Bua na Cainte App to go over some topics for revision if you like or alternatively you can use the resources on the Abair Liom website for revision. (Click theme to choose topic)

<https://www.folensonline.ie/home/library/programmes/abair-liom-1st-class/resources/>

-Don't forget to use your Gaeilge phrases that you know around the house for practise 😊

Maths:

This week we finish Planet Maths

Planet Maths e-Book: pgs 153- 157

<https://www.folensonline.ie/home/library/programmes/planet-maths1/ebook/>

Pick any of the interactive resources along this link to revise all Planet Maths chapters

<https://www.folensonline.ie/home/library/programmes/planet-maths1/resources/>

Tables Toppers: Continue with this as far as you can!! 😊

Master your Maths: Week 28 – continue the book as far as you can 😊

STEM Challenges

I have assigned 1 of these fun challenges per day but feel free to complete them whenever you like 😊 Follow each link for instructions. I would love to see a picture of your different designs!

Monday: Make your name in 3D

https://app.seesaw.me/#/activities/library?my_library&promptId=prompt.27304318-2bd8-4b25-8986-d4f96bf7f4a8

Tuesday: Build an animal enclosure

https://app.seesaw.me/#/activities/library?my_library&promptId=prompt.de89c5fa-6468-4e22-81d2-f2ddc83b1f71

Wednesday: Build a bridge

https://app.seesaw.me/#/activities/library?my_library&promptId=prompt.f8340b3f-59a0-4d70-8b3f-e067a2f6ab22

Thursday: Build a house of cards

https://app.seesaw.me/#/activities/library?my_library&promptId=prompt.df29cedc-4db5-40f5-ab59-78931ea7f002

Friday: Build a tower as tall as yourself

https://app.seesaw.me/#/activities/library?my_library&promptId=prompt.cae4a702-5567-427e-b82d-06f4b7693902

Art:

Our virtual school tour might have inspired you to draw some animals. Here is a step by step guide on how to draw some jungle animals 😊

<https://www.twinkl.ie/resource/t-l-52275-step-by-step-drawing-jungle-animals-activity-sheets>

Music:

Let's all try to learn the song 'School's Out'!! We may even get an opportunity to sing it together! 😊
